## REGAINS HIS LIBERTY

FORMER MAYOR AMES OF MINNEAPOLIS SET FREE BY STATE SUPREME COURT.

### INDICTMENT IS HELD VALID

BUT EVIDENCE FAILED TO SUSTAIN THE OFFENSE OF BRIBERY AS CHARGED.

St. Paul, Jan. 30.—By a decision handed down in the state supreme court Friday, Former Mayor A. A. Ames of Minneapolis, who was under sentence of six years in the state penitentiary for accepting bribes from fallen women to secure them immunity from arrest, regains his freedom, and, possibly, is freed from further prosecution on these charges.

The appeal of the defendant rested its main contention on the invalidity of the indictment upon which Dr. Ames was tried, maintaining that it charged the commission of more than one offense, and that the state should have elected upon which charge it would rest its case. This contention the majority of the supreme court overrules.

The supreme court is unanimous in reversing the judgment of the Hennepin county court, but arrives at this conclusion by different methods. The majority opinion, which was written by Judge Lewis and concurred in by Chief Justice Start and Justice Collins, holds that the indictment is valid, but that there was "a failure of proof to sustain the offense charged." The minority opinion, written by Justice Lovely and concurred in by Justice Brown, holds that the indictment itself was invalid because it alleged more than one offense.

The decision was a surprise to both the state and the defendant's attorneys, the latter anticipating that at best their client would be granted a new trial because of the faulty nature of the indictment upon which he was tried.

The indictment of Dr. Ames came as a climax of the Hennepin county grand jury's investigation into alleged municipal corruption. After his arraignment on the indictment, Dr. Ames was released on bonds and went to West Baden, Ind., for his health.

Decided to Stay Away.

While there, developments in the municipal scandal were such that the ex-mayor decided not to return to Minneapolis. He disappeared from West Baden but was finally located at New Hampton, Vt., with a relative of his wife. He maintained that his physical condition was such that the journey to Minnesota would undoubtedly result in his death, and vigorously but vainly fought extradition.

He was returned to Minneapolis and after a hard fought trial, which began on April 30, the jury on May 7 returned a verdict of guilty, and on May 15 Dr. Ames was sentenced to six years in Stillwater penitentiary. An appeal was at once taken to the supreme court and was argued Dec. 24, 1903, and resulted in the decision handed down Friday.

Of the others indicted as a result of the municipal grafting scandal, Colonel Fred W. Ames is now serving a

seven-year term in Stillwater, where also are Detectives Chris Norbeck and "Norm" W. King. "Coffee John" Fichette, after being tried and convicted, appealed his case to the supreme court, but died before a decision was handed down granting him a new trial.

Dr. Ames has been mayor of Minneapolis three terms as a Democrat, and the fourth and last time as a Republican. He was defeated by W. R. Merriam by a small plurality in the race for governor some years ago, and was for a time surgeon general of the state.

Pending the decision of the supreme court, Dr. Ames had resumed the practice of medicine in Minneapolis, and Friday announced that perhaps he was not yet out of politics.

What, if any, further action will be taken by the Hennepin county authorities has not yet been determined.

### FEW SEATS ARE VACANT.

### House Members Discuss Second Payment of Mileage.

Washington, Jan. 30.—The house Friday considered whether members of congress are entitled to be paid mileage a second time. The controversy arose on an item in the urgent deficiency bill providing for two payments of mileage for senators and members of the house on account of the extra session which merged into the regular session. A point of order was raised by Mr. Maddox (Dem., Ga.) against the payment of mileage a second time and he was supported by Mr. Littlefield (Rep., Mo.) who contended that there had been no interregnum, and consequently but one session of congress and there is no authority of law for a second appropriation for mileage.

Interest in the question was very great, few seats being vacant, but no conclusion was reached when the house adjourned.

Consideration of the amendment increasing the appropriation for the expenses of the district land offices precipitated a discussion on the subject of alleged land frauds. Mr. Mondell (Rep., Wyo.), author of the amendment, in urging an increased appropriation, called attention to the increased volume of business, and denied that it was due to fraudulent entries.

The provision in the urgent deficiency bill to defray the expenses of the international exchange commission and another authorizing the consolidating of customs collection districts were stricken out.

### ADOPTED WITH AMENDMENT.

### Culberson Resolution Calling for Information on Panama Revolt.

Washington, Jan. 30.—The senate Friday adopted the resolution introduced by Mr. Culberson for the Democratic caucus which calls on the president to state whether the senate has been supplied with all the facts bearing on the controversy of Panama. The vote on the resolution was unanimous, but there was a roll call on the amendment suggested by Mr. Cullom, for the Republican side of the chamber, calling for the information only in case the president should consider it not incompatible with the public interest to supply it. This amendment was adopted by 39 to 20, all the Republican senators present voting for the amendment and all the Democrats except Mr. McNary, who voted with the Republicans, casting their votes against it.

There were during the debate frequent assurances that notwithstanding the modification all the papers bearing on the question would be sent to the senate.

The Culberson inquiry no sooner had been disposed of than the Bacon resolution looking to the adjustment of our differences with Colombia by arbitration was considered. Mr. Bacon made an extended speech in support of the proposition, holding that even if there was no truth in Colombia's charges the mere fact that charges were made raised an issue which should be met in a conciliatory manner.

### American Pilgrims Give a Banquet in New York City.

New York, Jan. 30.—Interchanges of cable messages of good will with the English Pilgrims at supper at the Carlton hotel, London, formed a striking feature of the banquet given at Delmonico's last night by the Pilgrims of the United States in honor of Sir Henry Mortimer Durand, the British ambassador. Bishop Potter presided. There sat with him at the table Sir Henry R. B. Armstrong, Captain W. H. Brownson, U. S. N.; James Beck, General A. E. Bates, Thomas Barclay, John W. Griggs, Associate Justice George Gray, Morris K. Jesup, Colonel A. L. Mills, Rev. D. Parker Morgan, Wayne MacVeagh, Rear Admiral Rogers, Sir Percy Sanderson, Rev. E. N. Stires, President Woodrow Wilson of Princeton university, Major General Joseph Wheeler and Lieutenant General S. B. M. Young.

The banquet hall was decorated with a great profusion of intertwined British and American flags.

Sir Henry M. Durand, John W. Griggs, J. M. Beck and President Wilson of Princeton spoke in glowing terms of the friendship between Britain and America and voiced the hope that it might become closer and firmer as the years roll on.

London, Jan. 30.—While the American branch of the Pilgrims' society was giving its dinner at Delmonico's in New York in honor of Sir Henry Mortimer Durand, the British branch of the society celebrated the occurrence with a supper at the Carlton hotel. Among those present were Joseph H. Choate and Sir Thomas Lipton.

## WILL INVADE PANAMA

COLOMBIA INTENDS TO ORGANIZE AND SEND AN EXPEDITION TO THE ISTHMUS.

### INDIANS ATTACK A GUNBOAT

### MAKE UNSUCCESSFUL ATTEMPT TO SURPRISE THE CREW OF THE BANCROFT.

Panama, Jan. 30.—News has reached here from Bogota that inasmuch as General Reyes and Cavallero have assured Colombia that the United States will only object to her landing forces in the canal zone, the Colombian government intends to organize and send an expedition against Panama.

The only explanation of this news from Bogota is that the government of Colombia is compelled to take some steps to prevent its downfall. This is said to be imminent as President Marroquin has lost all the prestige he ever had. There is much speculation in Bogota as to the outcome of this move should it be put through.

Colombian newspapers are complaining that it cost more than \$15,000,000 in paper money (a Colombian dollar is worth about seven-tenths of an American cent) to move the troops Colombia has today at Titumata, on the gulf of Darien, from Cartagena to that point. These men are estimated at from 2,000 to 4,000 and at one time they were well supplied with provisions.

Joquin Velez, Perez Soto and other enemies of Marroquin have been imprisoned for alleged conspiracy.

People arriving here from Colombia declare the situation in that country to be growing worse every day.

### ATTACK AMERICAN GUNBOAT.

### San Blas Indians Made Unsuccessful Attempt at Surprise.

Colon, Jan. 30.—The United States gunboat Bancroft arrived here Friday from the San Blas coast. She reports the attitude of the San Blas Indians at Caledonia bay to be not only unfriendly, but decidedly aggressive. Last Tuesday men from one of the Bancroft's boats insisted upon purchasing a few coconuts from the Indians, and paid more than full value for them. Toward 11 o'clock that night twenty canoes were seen approaching the Bancroft. The gunboat turned her searchlights on the canoes and it was revealed that each boat carried as many Indians as could crowd in, probably 200 in all. All the men were armed with bows and arrows, guns of quaint and old patterns and other weapons. Their faces were bearded with paint.

There is no doubt that their intentions were hostile. They hoped to reach and surprise the ship. The commander of the Bancroft ordered the gunboat to clear for action, and her guns were loaded and trimmed ready for use. A quick-firing Colt gun was placed near the gangway and orders were given to the gunners of this piece to keep up a ceaseless fire all around the canoes. As soon as the Indians heard this rain of bullets they immediately began retreating toward the shore. The gunners were given express orders not to fire at the Indians, so the bullets cut the air and churned up the water all around them. No shots were fired at the Bancroft, which at once sailed for Colon to bring in the report of the occurrence.

### Iowa Democrats Against Forcing Old Issue to the Front.

Des Moines, Ia., Jan. 30.—"No fight should be made in the next state convention or in the national convention for the reaffirmation of the 16 to 1 plank of the Kansas City platform."

This statement was issued last night at the close of a conference of twenty-five leaders of the silver and Bryan wing of the Democratic party in Iowa. It was declared to be the consensus of opinion of those present. It was the unanimous opinion, however, that the platform of the national convention "should be written by the friends and supporters of the last national platform, and those who believe in its essential principles aside from the 16 to 1 plank."

Among those present at the conference were George Rhinehart of Newton, General James B. Weaver, John M. Read, president of the Democratic Gracchi club of Des Moines, and S. A. Brewster of Ottumwa.

### MABEL PARKER FOUND GUILTY.

### Sentenced to Bedford Reformatory for Second Degree Forgery.

New York, Jan. 30.—At the conclusion of her second trial on charges of forging checks, Mabel Parker was last night found guilty of forgery in the second degree and was sentenced to the Bedford reformatory for an indefinite term. Her husband, James Parker, who pleaded guilty, was sentenced to ten years in state prison.

St. Paul, Jan. 30.—By a decision handed down in the state supreme court Friday, Former Mayor A. A. Ames of Minneapolis, who was under sentence of six years in the state penitentiary for accepting bribes from fallen women to secure them immunity from arrest, regains his freedom, and, possibly, is freed from further prosecution on these charges.

The appeal of the defendant rested its main contention on the invalidity of the indictment upon which Dr. Ames was tried, maintaining that it charged the commission of more than one offense, and that the state should have elected upon which charge it would rest its case. This contention the majority of the supreme court overrules.

The supreme court is unanimous in reversing the judgment of the Hennepin county court, but arrives at this conclusion by different methods. The majority opinion, which was written by Judge Lewis and concurred in by Chief Justice Start and Justice Collins, holds that the indictment is valid, but that there was "a failure of proof to sustain the offense charged." The minority opinion, written by Justice Lovely and concurred in by Justice Brown, holds that the indictment itself was invalid because it alleged more than one offense.

The decision was a surprise to both the state and the defendant's attorneys, the latter anticipating that at best their client would be granted a new trial because of the faulty nature of the indictment upon which he was tried.

The indictment of Dr. Ames came as a climax of the Hennepin county grand jury's investigation into alleged municipal corruption. After his arraignment on the indictment, Dr. Ames was released on bonds and went to West Baden, Ind., for his health.

Decided to Stay Away.

While there, developments in the municipal scandal were such that the ex-mayor decided not to return to Minneapolis. He disappeared from West Baden but was finally located at New Hampton, Vt., with a relative of his wife. He maintained that his physical condition was such that the journey to Minnesota would undoubtedly result in his death, and vigorously but vainly fought extradition.

He was returned to Minneapolis and after a hard fought trial, which began on April 30, the jury on May 7 returned a verdict of guilty, and on May 16 Dr. Ames was sentenced to six years in Stillwater penitentiary.

An appeal was at once taken to the supreme court and was argued Dec. 24, 1903, and resulted in the decision handed down Friday.

Of the others indicted as a result of the municipal grafting scandal, Colonel Fred W. Ames is now serving a

seven-year term in Stillwater, where also are Detectives Chris Norbeck and "Norm" W. King. "Coffee John" Fichette, after being tried and convicted, appealed his case to the supreme court, but died before a decision was handed down granting him a new trial.

Dr. Ames has been mayor of Minneapolis three terms as a Democrat, and the fourth and last time as a Republican. He was defeated by W. R. Merriam by a small plurality in the race for governor some years ago, and was for a time surgeon general of the state.

Pending the decision of the supreme court, Dr. Ames had resumed the practice of medicine in Minneapolis, and Friday announced that perhaps he was not yet out of politics.

What, if any, further action will be taken by the Hennepin county authorities has not yet been determined.

FEW SEATS ARE VACANT.

House Members Discuss Second Payment of Mileage.

Washington, Jan. 30.—The house Friday considered whether members of congress are entitled to be paid mileage a second time. The controversy arose on an item in the urgent deficiency bill providing for two payments of mileage for senators and members of the house on account of the extra session which merged into the regular session. A point of order was raised by Mr. Maddox (Dem., Ga.) against the payment of mileage a second time and he was supported by Mr. Littlefield (Rep., Me.) who contended that there had been no interregnum, and consequently but one session of congress and there is no authority of law for a second appropriation for mileage.

Interest in the question was very great, few seats being vacant, but no conclusion was reached when the house adjourned.

Consideration of the amendment increasing the appropriation for the expenses of the district land offices precipitated a discussion on the subject of alleged land frauds. Mr. Mondell (Rep., Wyo.), author of the amendment, in urging an increased appropriation, called attention to the increased volume of business, and denied that it was due to fraudulent entries.

The provision in the urgent deficiency bill to defray the expenses of the international exchange commission and another authorizing the consolidating of customs collection districts were stricken out.

ADOPTED WITH AMENDMENT.

Culberson Resolution Calling for Information on Panama Revolt.

Washington, Jan. 30.—The senate Friday adopted the resolution introduced by Mr. Culberson for the Democratic caucus which calls on the president to state whether the senate has been supplied with all the facts bearing on the controversy of Panama. The vote on the resolution was unanimous, but there was a roll call on the amendment suggested by Mr. Cullom, for the Republican side of the chamber, calling for the information only in case the president should consider it not incompatible with the public interest to supply it. This amendment was adopted by 29 to 20, all the Republican senators present voting for the amendment and all the Democrats except Mr. McNary, who voted with the Republicans, casting their votes against it.

There were during the debate frequent assurances that notwithstanding the modification all the papers bearing on the question would be sent to the senate.

The Culberson inquiry no sooner had been disposed of than the Bacon resolution looking to the adjustment of our differences with Colombia by arbitration was considered. Mr. Bacon made an extended speech in support of the proposition, holding that even if there was no truth in Colombia's charges the mere fact that charges were made raised an issue which should be met in a conciliatory manner.

IN HONOR OF DURAND.

American Pilgrims Give a Banquet in New York City.

New York, Jan. 30.—Interchanges of cable messages of good will with the English Pilgrims at supper at the Carlton hotel, London, formed a striking feature of the banquet given at Delmonico's last night by the Pilgrims of the United States in honor of Sir Henry Mortimer Durand, the British ambassador. Bishop Potter presided. There sat with him at the table Sir Henry R. B. Armstrong, Captain W. H. Brownson, U. S. N.; James Beck, General A. E. Bates, Thomas Barclay, John W. Griggs, Associate Justice George Gray, Morris K. Jesup, Colonel A. L. Mills, Rev. D. Parker Morgan, Wayne MacVough, Rear Admiral Rogers, Sir Percy Sanderson, Rev. E. N. Stires, President Woodrow Wilson of Princeton university, Major General Joseph Wheeler and Lieutenant General S. B. M. Young.

The banquet hall was decorated with a great profusion of intertwined British and American flags.

Sir Henry M. Durand, and John W. Griggs, J. M. Beck and President Wilson of Princeton spoke in glowing terms of the friendship between Britain and America and voiced the hope that it might become closer and firmer as the years roll on.

London, Jan. 30.—While the American branch of the Pilgrims' society was giving its dinner at Delmonico's in New York in honor of Sir Henry Mortimer Durand, the British branch of the society celebrated the occurrence with a supper at the Carlton hotel. Among those present were Joseph H. Choate and Sir Thomas Lipson.

## WILL INVADE PANAMA

COLOMBIA INTENDS TO ORGANIZE AND SEND AN EXPEDITION TO THE ISTHUS.

INDIANS ATTACK A GUNBOAT

MAKE UNSUCCESSFUL ATTEMPT TO SURPRISE THE CREW OF THE BANCROFT.

Panama, Jan. 30.—News has reached here from Bogota that inasmuch as General Reyes and Cavallero have assured Colombia that the United States will only object to her landing forces in the canal zone, the Colombian government intends to organize and send an expedition against Panama.

The only explanation of this news from Bogota is that the government of Colombia is compelled to take some steps to prevent its downfall. This is said to be imminent as President Marroquin has lost all the prestige he ever had. There is much speculation in Bogota as to the outcome of this move should it be put through.

Colombian newspapers are complaining that it cost more than \$15,000,000 in paper money (a Colombian dollar is worth about seven-tenths of an American cent) to move the troops Colombia has today at Titumati, on the gulf of Darien, from Cartagena to that point. These men are estimated at from 2,000 to 4,000 and at one time they were well supplied with provisions.

Joaquin Velez, Perez Soto and other enemies of Marroquin have been imprisoned for alleged conspiracy.

People arriving here from Colombia declare the situation in that country to be growing worse every day.

ATTACK AMERICAN GUNBOAT.

San Blas Indians Made Unsuccessful Attempt at Surprise.

Colon, Jan. 30.—The United States gunboat Bancroft arrived here Friday from the San Blas coast. She reports the attitude of the San Blas Indians at Caledonia bay to be not only unfriendly, but decidedly aggressive. Last Tuesday men from one of the Bancroft's boats insisted upon purchasing a few coconuts from the Indians, and paid more than full value for them. Toward 11 o'clock that night twenty canoes were seen approaching the Bancroft. The gunboat turned her searchlights on the canoes and it was revealed that each boat carried as many Indians as could crowd in, probably 200 in all. All the men were armed with bows and arrows, guns of quaint and old patterns and other weapons. Their faces were besmeared with paint.

There is no doubt that their intentions were hostile. They hoped to reach and surprise the ship. The commander of the Bancroft ordered the gunboat to clear for action, and her guns were loaded and trimmed ready for use. A quick-firing Colt gun was placed near the gangway and orders were given to the gunners of this piece to keep up a ceaseless fire all around the canoes. As soon as the Indians heard this rain of bullets they immediately began retreating toward the shore. The gunners were given express orders not to fire at the Indians, so the bullets cut the air and churned up the water all around them. No shots were fired at the Bancroft, which at once sailed for Colon to bring in the report of the occurrence.

Iowa Democrats Against Forcing Old Issue to the Front.

Des Moines, Ia., Jan. 30.—"No fight should be made in the next state convention or in the national convention for the reaffirmation of the 16 to 1 plank of the Kansas City platform."

This statement was issued last night at the close of a conference of twenty-five leaders of the silver and Bryan wing of the Democratic party in Iowa. It was declared to be the consensus of opinion of those present. It was the unanimous opinion, however, that the platform of the national convention "should be written by the friends and supporters of the last national platform, and those who believe in its essential principles aside from the 16 to 1 plank."

Among those present at the conference were George Rhinehart of Newton, General James B. Weaver, John M. Read, president of the Democratic Gracchi club of Des Moines, and S. A. Brewster of Ottumwa.

MABEL PARKER FOUND GUILTY.

Sentenced to Bedford Reformatory for Second Degree Forgery.

New York, Jan. 30.—At the conclusion of her second trial on charges of forging checks, Mabel Parker was last night found guilty of forgery in the second degree and was sentenced to the Bedford reformatory for an indefinite term. Her husband, James Parker, who pleaded guilty, was sentenced to ten years in state prison.

**TAFT SUCCEEDS ROOT.**

Retiring Secretary and Successor Attend Cabinet Meeting.

Washington, Jan. 30.—President Roosevelt, Secretary Root and Governor Taft were the principal figures at the day's meeting of the cabinet. All the members except Secretary Hay were present.

Governor Taft arrived at the executive offices soon after the cabinet had assembled and was shown directly into the cabinetroom. He remained throughout the session, leaving in company with Secretary Root.

The meeting, after the transaction of the usual departmental business, developed into a farewell for Secretary Root and a reception for Governor Taft. The former formally presented Governor Taft to his colleagues as his successor, expressing at the same time his personal regret at the severance of official relations which he so long had sustained to the president and members of the cabinet.

President Roosevelt spoke with deep feeling of the retirement of Secretary Root. He wished it understood that, while in the circumstances he could make no public expression of his feelings without the appearance of trenching upon propriety, he was sincerely indebted to Secretary Root for the great work he had accomplished.

In the president's tribute to Secretary Root the other members of the cabinet cordially joined.

Secretary Root gave a stag reception at night in Governor Taft's honor. The Philippines for the Filipinos will be the keynote of the policy of Secretary Taft toward the far Eastern archipelago.

**Don't Neglect Yourself.**

1408 Second Street, LOUISVILLE, Ky., April 14, 1903.

I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.

His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it.

I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

**WINE of CARDUI**

Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once.

All druggists sell \$1.00 bottles of Wine of Cardui.

TAFT SUCCEEDS ROOT.

Retiring Secretary and Successor Attend Cabinet Meeting.

Washington, Jan. 30.—President Roosevelt, Secretary Root and Governor Taft were the principal figures at the day's meeting of the cabinet. All the members except Secretary Hay were present.

Governor Taft arrived at the executive offices soon after the cabinet had assembled and was shown directly into the cabinetroom. He remained throughout the session, leaving in company with Secretary Root.

The meeting, after the transaction of the usual departmental business, developed into a farewell for Secretary Root and a reception for Governor Taft. The former formally presented Governor Taft to his colleagues as his successor, expressing at the same time his personal regret at the severance of official relations which he so long had sustained to the president and members of the cabinet.

President Roosevelt spoke with deep feeling of the retirement of Secretary Root. He wished it understood that, while in the circumstances he could make no public expression of his feelings without the appearance of trenching upon propriety, he was sincerely indebted to Secretary Root for the great work he had accomplished.

In the president's tribute to Secretary Root the other members of the cabinet cordially joined.

Secretary Root gave a stag reception at night in Governor Taft's honor. The Philippines for the Filipinos will be the keynote of the policy of Secretary Taft toward the far Eastern archipelago.

### BUILDING BUILT BY BEES

A Missouri Editor Reproduces His Office  
Building in Honey and will Show It  
at the World's Fair.

St. Louis--A "print shop" built of  
honey will be one of the things to be  
seen at the world's fair. R. F. Staple,  
editor of the Rock Port Mail, is the  
architect and his bees are the builders.  
A year or two ago Mr. Staple erected a  
handsome office building. Last summer  
he conceived the idea of reproducing,  
in the miniature, his building in honey.  
He placed a hive in exact imitation of  
the Staple block, and then his bees got  
busy. In a few months every facade,  
and every nook and corner was covered  
with a thick coating of pure Missouri  
honey. This odd exhibit will be housed  
in the Missouri display in the Palace of  
Agriculture.

### MRS. ELIZABETH HUGHEY DEAD

She Passed Away at the Home of Her Son,  
H. C. Hughey, of Long Lake Town-  
ship, Last Night.

Last night at 11 o'clock Mrs. Eliza-  
beth Hughey, mother of H. C. Hughey,  
died at the latter's home in Long Lake  
township, and one of Crow Wing coun-  
ty's most estimable women has been  
taken away. She was in her seventy-  
third birthday and had lived in this  
county for years.

Some time ago she sustained a stroke  
of paralysis and recently she had an-  
other and death had been expected for  
many weeks.

The funeral services will be held to-  
morrow afternoon at 2 o'clock from the  
Presbyterian church in this city.

### Entertained at Cards.

Mrs. Edward Hazen was hostess at  
one of the most charming card recep-  
tions of the winter yesterday afternoon.  
The invitations were issued in honor of  
Mrs. Chauncey B. Sleeper and Mrs.  
John Lindsay Smith, of Minneapolis,  
mother and sister of Mrs. Hazen. Mrs.  
Chas. Hazen, who has recently come to  
Duluth to live, was one of the receiving  
party.

Six-handed euchre was played at ten  
tables and the card favors were won by  
Mrs. L. W. Powell, Mrs. N. F. Hugo and  
Mrs. William Craig. Mrs. Hazen was  
assisted by her daughter, Miss Edith,  
Miss Nellie Brown, Miss Fanny Wagner  
and Miss Katherine Hoopes. The dec-  
orations were all executed in green and  
white and the spring flowers, tulips, hy-  
acinths and narcissus were used in frag-  
rant profusion. --Duluth News-Trib-

### Saved From Terrible Death.

The family of Mrs. M. L. Robbitt, of  
Bargerton, Tenn., saw her dying and  
were powerless to save her. The most  
skillful physicians and every remedy  
used, failed, while consumption was  
slowly but surely taking her life. In  
this terrible hour Dr. King's New Dis-  
covery for consumption turned despair  
into joy. The first bottle brought im-  
mediate relief and its continued use  
completely cured her. It's the most  
certain cure in the world for all throat  
and lung troubles. Guaranteed bottles  
50c and \$1.00. Trial bottles free at H.

## THE ELKS ANNUAL BALL

Was One of the Biggest Social Successes  
in Brainerd this Year and it Was  
Largely Attended.

Gardner hall was transformed into a  
scene of beauty and society was out in  
gala attire last night when Brainerd  
Lodge, B. P. O. E., gave its annual dan-  
cing party. The event is always one of  
great interest socially and this year as  
in the past there was much ado, and it  
was without doubt one of the most  
dressed affairs in the history of the city.

The decorations executed in the colors  
of the order, purple and white, were  
very elaborate. Long trains of sash like  
muslin were draped on the walls around  
the hall, and just above this arrange-  
ment there were deep lines of evergreen  
artistically arranged. A special rostrum  
for the orchestra had been erected in the  
middle of the room and the dancers  
circled around this. This rostrum was  
surrounded by a large and beautiful col-  
lection of potted plants and flowers  
which were banked at either side. The  
railling was completely covered with  
decorations in the colors of the order.  
A shelf had been run around the hall  
on which were placed potted plants and  
flowers.

This beautiful arrangement and artis-  
tic decoration was brilliantly lighted by  
two large arc lamps besides the regular  
lights used in the hall.

The music was furnished by an or-  
chestra of eleven pieces, picked musi-  
cians of the city, and it was excellent.

All the upholstered furniture had  
been moved over from Elk hall and this  
was placed around the hall in an artistic  
manner.

In the two east corners of the room  
booths had been placed where courteous  
attendants dispensed eatables and  
drinkables of all kinds.

The committees in charge are to be  
congratulated on the success of the  
event, for it certainly was the most pre-  
tentious in the history of the city.

### Illustrated Special Sermon.

At the First Congregational church  
Sunday evening a good program will be  
rendered in connection with the illus-  
trated series of sermons on "Pilgrim's  
Progress." Some fine scripture read-  
ings on slides specially prepared by a  
Brainerd artist, Opahl, will be given.

be shown clearly illustrating the great  
work of John Bunyan. A silver offer-  
ing. Everybody welcome.

## THE FIRST DEBATE

Members of the Trades and Labor Assem-  
bly are Arranging for Interesting  
Series of Debates.

Last night the members of the Trades  
and Labor assembly held their first de-  
bating meeting in their hall on Sixth  
street. The boys are going to devote  
some time in the future to the study of  
questions which affect all classes, labor-  
ing men included. The question under  
debate last night was: "Resolved that  
Municipal Ownership of Water Works  
plants is more advantageous than if  
owned by a corporation." The principal  
on the affirmative was T. T. Black-  
burn and his assistants were Frank  
Hagenbaugh and W. Miller. H. B. Mil-  
ler was the gladiator who took the ne-  
gative side of the question and he had as  
his assistants F. C. Larrison and G. W.  
McCrea. The judges awarded the de-  
cision to the negative.

The next meeting will be on Tuesday  
evening when the question will be:  
"Resolved that it is a benefit to be a  
Union man." H. B. Miller will lead on  
the affirmative and Frank Hagenbaugh  
will lead in the debate for the negative.

## MURDER AT CASS LAKE

The Parties at One Time Lived Here and  
Are Well Known to Many  
Brainerd Residents.

While under the influence of liquor,  
late Tuesday night, William Chunard  
fired three shots from a revolver at his  
wife. The woman was standing but a  
few feet from the gun at the time it was  
discharged, and all three of the shots  
took effect in her body. Chunard and  
his wife had charge of a house of ill re-  
pute on the south side of the track, and  
Mrs. Chunard was the landlady. It is  
said that, of late, Chunard had become  
violently jealous of his better half, and  
that he had taken to drinking heavily.  
On Tuesday afternoon he visited sev-  
eral saloons in the village, and drank  
freely of whisky. In the early part  
of the evening he was over town with  
his wife, and they left for the house  
at about 11 o'clock. It was near the  
hour of midnight when the shooting  
occured, Chunard and his wife were  
standing in the dance hall of the house,  
the former being exceedingly intoxica-  
ted. They had a few words, when  
Chunard pulled a gun from his coat  
pocket and, leveling it at his wife,  
pulled the trigger. She was facing him,  
and the bullet struck her in the pit of  
the stomach. She gave a loud scream  
and started for the door. Chunard fired  
twice more before the woman reached  
the door, both shots hitting her in the  
lower part of the back. Mrs. Chunard,  
in spite of the fact that she was terri-  
bly wounded, ran into another house  
close by and fell to the floor. Drs.  
Smealie and Rodwell, village physicians,  
were attending a sick woman in the  
house at the time and they dressed Mrs.  
Chunard's wounds. The police were  
called by telephone, and Chunard, who  
made no attempt to escape was arrested  
and taken to the village jail and locked  
in a cell. He was so intoxicated that he  
apparently did not realize the serious-  
ness of the act he had committed. When  
seen in the jail the next forenoon, he  
was still confused from the liquor and  
stated that he did not mean to hurt any-  
one, and that he was just shooting for  
fun in order to scare his wife. When  
he had regained his sober senses he be-  
gan to understand what he had done  
and cried like a child.

The woman has since died in a Duluth  
hospital. Chunard has a sister, Mrs.  
Hitt, living in the city.

### MAY MOVE HERE

Itasca Paper Company, of Grand Rapids,  
Not Satisfied With the Water Power  
at that Point.

The Itasca Paper company has given  
notice to the citizens of that city that  
unless arrangements can be made in the  
near future for a flow of water adequate  
to turn their big power grinders, the  
mills at Grand Rapids may suspend,  
says the Bemidji Pioneer. The Com-  
mercial club of that city will make an  
effort to have conditions materially  
changed at once.

The paper company operates a large  
plant at Grand Rapids, giving employ-  
ment to quite a number of men but it  
has lately been subjected to serious in-  
convenience by the water power. A  
government engineer last year con-  
structed a dam up the river which prac-  
tically destroyed the water power at  
Grand Rapids. In the meantime the  
mill has been compelled to ship its pulp  
wood to Brainerd to be ground up and  
afterwards shipped back to the plant.  
This plan has been found to be so ex-  
pensive that the announcement has  
been made that the mill will shut down  
unless an adequate water supply can be  
assured.

The matter has been causing the peo-  
ple at Grand Rapids anxiety for some  
time and they will do everything they  
can to retain the plant at that city. Just  
how much effect their efforts will have  
remains to be seen.

If you are suffering from rheumatism,  
catarrh, sick headache or kidney trou-  
ble, call at Johnson's Pharmacy and get

## A GOLDEN OPPORTUNITY

The Dispatch List of Eligibles in  
Matrimonial Lines will Prove a  
Very Valuable Guide.

DR. DONALD M. McDONALD. Just for  
auld time sake it was intended to leave  
the name of the genial doctor out of the  
list of eligibles, but it is thought that  
he has not been spurred up of late and  
is not on his mettle, so a little advice  
from some quarter will serve as a soo-  
thing anodyne to calm his ruffled senses.  
The doctor is one of those men, ladies,  
who stands in a class by himself. He is  
dignified, refined and well educated, al-  
though unpretentious, possessing a qual-  
ity of manhood not very often duplicat-  
ed in this world, and there is no reason  
to believe but that he would be a man  
at the head of a household who would  
command attention, for he is a glowing  
example and possesses those qualities  
which go to make up a first class guar-  
dian. The doctor loves flowers and  
plants, the "maple leaf" being one of his  
favorites. He is a good singer (Gaelic)  
and is somewhat of a dancer. Now lad-  
ies, there will be nothing but love when  
it comes to this gentleman, great big,  
pure gobs of it hanging all over, for the  
doctor has a heart in him that melts at  
the sight of a fair one like a cake of ice  
at a Fourth of July picnic. He may  
flutter for a time like a humming bird,  
but once he gets his bearings he can go  
some in making love. He has been ac-  
cused of being in love but we never did  
believe it and still there have been signs.  
He is partial to a particular class and of  
late has been devoting his time to one  
lady. This may be all well and good,  
but girls, the doctor is big hearted and  
the more the merrier is the old maxim  
that fits his case, so just walk right up  
to him. Dr. McDonald does not stand  
on ceremony and if he happens to like  
the shape of your phiz he will just smile,  
that's all, but if he thinks you are a min-  
ut it he will tell you so. So be careful.

## MUSIC AND DRAMA.

### THE ELKS' MINSTRELS.

There will be another rehearsal of the  
Elk minstrel chorus tomorrow after-  
noon when it is hoped that all members  
will be present. Now that the time of  
the performance is drawing near these  
rehearsals are very important and should  
be attended regularly. Manager Hal-  
sted announces that some good attrac-  
tions have been secured for the olio or  
second part. Nothing but the very best  
is being secured for this part of the pro-  
gram and with a long list of attrac-  
tions to select from there ought to be  
ample material for one of the best pro-  
grams in the history of local minstrelsy  
in the city. Some new and unique fea-  
tures will be introduced to give tone to  
the first part and the indications are  
that there will be an exceptionally good  
program.

### WARNER COMEDY COMPANY.

That the Warner Comedy Co. are  
favorites in Brainerd was proven last  
evening by their attracting to the opera  
house the largest and most enthusiastic  
audience of the week, and this with so  
many counter attractions to draw atten-  
tion everywhere. The bill was "Hazel  
Kirke," styled on the programmes a  
domestic drama. It is one of the old  
school of plays constructed to work on  
the feelings of an audience and move  
them to tears one moment and laughter  
the next. Miss Warner and Mr. Blanch-  
ard again carried off the honors by their  
excellent portrayals of the characters,  
Hazel and Dunston Kirke, respectively.  
The rest of the company are competent.  
A number of specialties were nicely  
given and well received by the large  
audience.

The company close their highly suc-  
cessful engagement here this evening,  
and local theatre goers will regret their  
departure as they have established their  
claim as favorites by presenting all  
week, good, clean, wholesome plays well  
acted and beautifully costumed. The  
bill selected for tonight is a comedy,  
"What Happened to Smith," full of  
laughs and funny situations. Don't fail  
to attend this performance as there is  
sure to be the record breaking audience  
in attendance of any during the week.

### "THE MAN FROM SWEDEN."

During the action of the play "The  
Man From Sweden," there will be seen  
the famous Falkner family in many dif-  
ficult tricks of rolling and juggling hoops.  
The Falkners have been seen at all the  
leading vaudeville houses of the country  
and have been engaged at a large salary  
by Messrs. Broadhurst & Currie as a  
novelty feature for the above attraction.  
Many other specialties will be presented.  
The Russells, Master George, Mr. Rowe  
as "Chu Wing" and Knute Erickson in  
his popular songs. The attraction  
will appear at the Brainerd theatre next  
Monday night. Seats on sale at Dunn's.  
Prices only 75c for the lower floor, 50c  
for balcony and 25c in gallery.

Pretty Miss Nellie Hascomb, Omaha:

this city.

The church here has been without a  
regular pastor since Rev. A. H. Carver  
resigned several months ago, but there  
has been a large number of supplies  
here and great care was taken in secur-  
ing a man to fill the position. Rev. Mr.  
Palm comes to Brainerd highly recom-

dresy affairs in the history of the city.

The decorations executed in the colors  
of the order, purple and white, were  
very elaborate. Long trains of sash-like  
muslin were draped on the walls around  
the hall, and just above this arrange-  
ment there were deep lines of evergreen  
artistically arranged. A special rostrum  
for the orchestra had been erected in  
the middle of the room and the dancers  
circled around this. This rostrum was  
surrounded by a large and beautiful col-  
lection of potted plants and flowers  
which were banked at either side. The  
railing was completely covered with  
decorations in the colors of the order.  
A shelf had been run around the hall  
on which were placed potted plants and  
flowers.

This beautiful arrangement and artis-  
tic decoration was brilliantly lighted by  
two large arc lamps besides the regular  
lights used in the hall.

The music was furnished by an or-  
chestra of eleven pieces, picked musi-  
cians of the city, and it was excellent.

All the upholstered furniture had  
been moved over from Elk hall and this  
was placed around the hall in an artistic  
manner.

In the two east corners of the room  
booths had been placed where courteous  
attendants dispensed eatables and  
drinkables of all kinds.

The committees in charge are to be  
congratulated on the success of the  
event, for it certainly was the most pre-  
tentious in the history of the city.

THE FIRST DEBATE

Members of the Trades and Labor Assem-  
bly are Arranging for Interesting  
Series of Debates.

Last night the members of the Trades  
and Labor assembly held their first de-  
bating meeting in their hall on Sixth  
street. The boys are going to devote  
some time in the future to the study of  
questions which affect all classes, labor-  
ing men included. The question under  
debate last night was: "Resolved that  
Municipal Ownership of Water Works  
plants is more advantageous than if  
owned by a corporation." The principal  
on the affirmative was T. T. Black-  
burn and his assistants were Frank  
Hagenbaugh and W. Miller. H. B. Mil-  
ler was the gladiator who took the neg-  
ative side of the question and he had as  
his assistants F. C. Larrison and G. W.  
McCrea. The judges awarded the de-  
cision to the negative.

The next meeting will be on Tuesday  
evening when the question will be:  
"Resolved that it is a benefit to be a  
Union man." H. B. Miller will lead on  
the affirmative and Frank Hagenbaugh  
will lead in the debate for the negative.

MURDER AT CASS LAKE

The Parties at One Time Lived Here and  
Are Well Known to Many  
Brainerd Residents.

While under the influence of liquor,  
late Tuesday night, William Chunard  
fired three shots from a revolver at his  
wife. The woman was standing but a  
few feet from the gun at the time it was  
discharged, and all three of the shots  
took effect in her body. Chunard and  
his wife had charge of a house of ill re-  
pute on the south side of the track, and  
Mrs. Chunard was the landlady. It is  
said that, of late, Chunard had become  
violently jealous of his better half, and  
that he had taken to drinking heavily.  
On Tuesday afternoon he visited sev-  
eral saloons in the village, and drank  
freely of whisky. In the early part  
of the evening he was over town with  
his wife, and they left for the house  
at about 11 o'clock. It was near the  
hour of midnight when the shooting  
occured, Chunard and his wife were  
standing in the dance hall of the house,  
the former being exceedingly intoxica-  
ted. They had a few words, when  
Chunard pulled a gun from his coat  
pocket and, leveling it at his wife,  
pulled the trigger. She was facing him,  
and the bullet struck her in the pit of  
the stomach. She gave a loud scream  
and started for the door. Chunard fired  
twice more before the woman reached  
the door, both shots hitting her in the  
lower part of the back. Mrs. Chunard,  
in spite of the fact that she was terri-  
bly wounded, ran into another house  
close by and fell to the floor. Drs.  
Smealie and Rodwell, village physicians,  
were attending a sick woman in the  
house at the time and they dressed Mrs.  
Chunard's wounds. The police were  
called by telephone, and Chunard, who  
made no attempt to escape was arrested  
and taken to the village jail and locked  
in a cell. He was so intoxicated that he  
apparently did not realize the serious-  
ness of the act he had committed. When  
seen in the jail the next forenoon, he  
was still confused from the liquor and  
stated that he did not mean to hurt any-  
one, and that he was just shooting for  
fun in order to scare his wife. When  
he had regained his sober senses he be-  
gan to understand what he had done  
and cried like a child.

The woman has since died in a Duluth  
hospital. Chunard has a sister, Mrs.  
Hitt, living in the city.

Itasca Paper Company, of Grand Rapids,  
Not Satisfied With the Water Power  
at that Point.

The Itasca Paper company has given  
notice to the citizens of that city that  
unless arrangements can be made in the  
near future for a flow of water adequate  
to turn their big power grinders, the  
mills at Grand Rapids may suspend,  
says the Bemidji Pioneer. The Com-  
mercial club of that city will make an  
effort to have conditions materially  
changed at once.

The paper company operates a large  
plant at Grand Rapids, giving employ-  
ment to quite a number of men but it  
has lately been subjected to serious in-  
convenience by the water power. A  
government engineer last year con-  
structed a dam up the river which prac-  
tically destroyed the water power at  
Grand Rapids. In the meantime the  
mill has been compelled to ship its pulp  
wood to Brainerd to be ground up and  
afterwards shipped back to the plant.  
This plan has been found to be so ex-  
pensive that the announcement has  
been made that the mill will shut down  
unless an adequate water supply can be  
assured.

The matter has been causing the peo-  
ple at Grand Rapids anxiety for some  
time and they will do everything they  
can to retain the plant at that city. Just  
how much effect their efforts will have  
remains to be seen.

A GOLDEN  
OPPORTUNITY

The Dispatch List of Eligibles in  
Matrimonial Lines will Prove a  
Very Valuable Guide.

DR. DONALD M. McDONALD. Just for  
auld time sake it was intended to leave  
the name of the genial doctor out of the  
list of eligibles, but it is thought that  
he has not been spurred up of late and  
is not on his mettle, so a little advice  
from some quarter will serve as a sooth-  
ing anodyne to calm his ruffled senses.  
The doctor is one of those men, ladies,  
who stands in a class by himself. He is  
dignified, refined and well educated, al-  
though unpretentious, possessing a qual-  
ity of manhood not very often dupli-  
cated in this world, and there is no reason  
to believe but that he would be a man  
at the head of a household who would  
command attention, for he is a glowing  
example and possesses those qualities  
which go to make up a first class guar-  
dian. The doctor loves flowers and  
plants, the "maple leaf" being one of his  
favorites. He is a good singer (Gaelic)  
and is somewhat of a dancer. Now lad-  
ies, there will be nothing but love when  
it comes to this gentleman, great big,  
pure gobs of it hanging all over, for the  
doctor has a heart in him that melts at  
the sight of a fair one like a cake of ice  
at a Fourth of July picnic. He may  
flutter for a time like a humming bird,  
but once he gets his bearings he can go  
some in making love. He has been ac-  
cused of being in love but we never did  
believe it and still there have been signs.  
He is partial to a particular class and of  
late has been devoting his time to one  
lady. This may be all well and good,  
but girls, the doctor is big hearted and  
the more the merrier is the old maxim  
that fits his case, so just walk right up  
to him. Dr. McDonald does not stand  
on ceremony and if he happens to like  
the shape of your phiz he will just smile,  
that's all, but if he thinks you are a mis-  
fit he will tell you so. So be careful.

MUSIC AND DRAMA.

THE ELKS' MINSTRELS.

There will be another rehearsal of the  
Elk minstrel chorus tomorrow after-  
noon when it is hoped that all members  
will be present. Now that the time of  
the performance is drawing near these  
rehearsals are very important and should  
be attended regularly. Manager Hal-  
sted announces that some good attrac-  
tions have been secured for the olio or  
second part. Nothing but the very best  
is being secured for this part of the pro-  
gram and with a long list of attrac-  
tions to select from there ought to be  
ample material for one of the best pro-  
grams in the history of local minstrelsy  
in the city. Some new and unique fea-  
tures will be introduced to give tone to  
the first part and the indications are  
that there will be an exceptionally good  
program.

WARNER COMEDY COMPANY.

That the Warner Comedy Co. are  
favorites in Brainerd was proven last  
evening by their attracting to the opera  
house the largest and most enthusiastic  
audience of the week, and this with so  
many counter attractions to draw atten-  
tion everywhere. The bill was "Hazel  
Kirke," styled on the programmes a  
domestic drama. It is one of the old  
school of plays constructed to work on  
the feelings of an audience and move  
them to tears one moment and laughter  
the next. Miss Warner and Mr. Blanch-  
ard again carried off the honors by their  
excellent portrayals of the characters,  
Hazel and Dunston Kirke, respectively.  
The rest of the company are competent.  
A number of specialties were nicely  
given and well received by the large  
audience.

The company close their highly suc-  
cessful engagement here this evening,  
and local theatre goers will regret their  
departure as they have established their  
claim as favorites by presenting all  
week, good, clean, wholesome plays well  
acted and beautifully costumed. The  
bill selected for tonight is a comedy,  
"What Happened to Smith," full of  
laughs and funny situations. Don't fail  
to attend this performance as there is  
sure to be the record breaking audience  
in attendance of any during the week.

"THE MAN FROM SWEDEN."

During the action of the play "The  
Man From Sweden," there will be seen  
the famous Falkner family in many dif-  
ficult tricks of rolling and juggling hoops.  
The Falkners have been seen at all the  
leading vaudeville houses of the country  
and have been engaged at a large salary  
by Messrs. Broadhurst & Currie as a  
novelty feature for the above attraction.  
Many other specialties will be presented.  
The Russells, Master George, Mr. Rowe  
as "Chu Wing" and Knute Erickson  
in his popular songs. The attraction  
will appear at the Brainerd theatre next  
Monday night. Seats on sale at Dunn's.  
Prices only 75c for the lower floor, 50c  
for Balcony and 25c in Gallery.

## REV. W. J. PALM ACCEPTS CALL

To Become Pastor of First Presbyterian Church--Will be Here Tomorrow.

## HE COMES WELL RECOMMENDED

As a Pastor of Ability and an Eloquent Pulpit Orator--Formerly of Grand Rapids.

Rev. William J. Palm, of Grand Rapids, has accepted a call to become pastor of the First Presbyterian church in this city.

The church here has been without a regular pastor since Rev. A. H. Carver resigned several months ago, but there has been a large number of supplies here and great care was taken in securing a man to fill the position. Rev. Mr. Palm comes to Brainerd highly recommended as one of the leading pastors of the presbytery, is an orator of much ability and will be a valuable addition to Brainerd churches.

The reverend gentleman arrived in this city this afternoon and will preach tomorrow, morning and evening, at the Presbyterian church on Broadway south.

## BUILDING BUILT BY BEES

A Missouri Editor Reproduces His Office Building in Honey and will Show It at the World's Fair.

St. Louis--A "print shop" built of honey will be one of the things to be seen at the world's fair. R. P. Staple, editor of the Rock Port Mail, is the architect and his bees are the builders. A year or two ago Mr. Staple erected a handsome office building. Last summer he conceived the idea of reproducing, in the miniature, his building in honey. He placed a hive in exact imitation of the Staple block, and then his bees got busy. In a few months every facade, and every nook and corner was covered with a thick coating of pure Missouri honey. This odd exhibit will be housed in the Missouri display in the Palace of Agriculture.

## MRS. ELIZABETH HUGHEY DEAD

She Passed Away at the Home of Her Son, H. C. Hughey, of Long Lake Township, Last Night.

Last night at 11 o'clock Mrs. Elizabeth Hughey, mother of H. C. Hughey, died at the latter's home in Long Lake township, and one of Crow Wing county's most estimable women has been taken away. She was in her seventy-third birthday and had lived in this county for years.

Some time ago she sustained a stroke of paralysis and recently she had another and death had been expected for many weeks.

The funeral services will be held tomorrow afternoon at 2 o'clock from the Presbyterian church in this city.

## Entertained at Cards.

Mrs. Edward Hazen was hostess at one of the most charming card receptions of the winter yesterday afternoon. The invitations were issued in honor of Mrs. Chauncey B. Sleeper and Mrs. John Lindsay Smith, of Minneapolis, mother and sister of Mrs. Hazen. Mrs. Chas. Hazen, who has recently come to Duluth to live, was one of the receiving party.

Six-handed euchre was played at ten tables and the card favors were won by Mrs. L. W. Powell, Mrs. N. F. Hugo and Mrs. William Craig. Mrs. Hazen was assisted by her daughter, Miss Edith, Miss Nellie Brown, Miss Fanny Wagner and Miss Katherine Hoopes. The decorations were all executed in green and white and the spring flowers, tulips, hyacinths and narcissus were used in fragrant profusion.—Duluth News-Tribune.

## Saved From Terrible Death.

The family of Mrs. M. L. Robbitt, of Bargerton, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at H. P. Dunn & Co's.

## THE ELKS ANNUAL BALL

Was One of the Biggest Social Successes in Brainerd this Year and it Was Largely Attended.

Gardner hall was transformed into a scene of beauty and society was out in gala attire last night when Brainerd Lodge, B. P. O. E., gave its annual dancing party. The event is always one of great interest socially and this year as in the past there was much ado, and it was without doubt one of the most dressy affairs in the history of the city.

The decorations executed in the colors of the order, purple and white, were very elaborate. The paper company operates a large plant at Grand Rapids, giving employment to quite a number of men, but it has lately been subjected to serious inconvenience by the water power. A government engineer last year constructed a dam up the river which practically destroyed the water power at Grand Rapids. In the meantime the mill has been compelled to ship its pulp wood to Brainerd to be ground up and afterwards shipped back to the plant. This plan has been found to be so expensive that the announcement has been made that the mill will shut down unless an adequate water supply can be assured.

The matter has been causing the people at Grand Rapids anxiety for some time and they will do everything they can to retain the plant at that city. Just how much effect their efforts will have remains to be seen.

## A GOLDEN OPPORTUNITY

The Dispatch List of Eligibles in Matrimonial Lines will Prove a Very Valuable Guide.

Dr. DONALD M. McDONALD. Just for auld time sake it was intended to leave the name of the genial doctor out of the list of eligibles, but it is thought that he has not been spurred up of late and is not on his mettle, so a little advice from some quarter will serve as a soothing anodyne to calm his ruffled senses. The doctor is one of those men, ladies, who stands in a class by himself. He is dignified, refined and well educated, although unpretentious, possessing a quality of manhood not very often duplicated in this world, and there is no reason to believe but that he would be a man at the head of a household who would command attention, for he is a glowing example and possesses those qualities which go to make up a first class guardian. The doctor loves flowers and plants, the "maple leaf" being one of his favorites. He is a good singer (Gaelic) and is somewhat of a dancer. Now ladies, there will be nothing but love when it comes to this gentleman, great big, pure gold of him hanging all over, for the doctor has a heart in him that melts at the sight of a fair one like a cake of ice at a Fourth of July picnic. He may flutter for a time like a humming bird, but once he gets his bearings he can go some in making love. He has been accused of being in love but we never did believe it and still there have been signs. He is partial to a particular class and of late has been devoting his time to one lady. This may be all well and good, but girls, the doctor is big hearted and the more the merrier is the old maxim that fits his case, so just walk right up to him. Dr. McDonald does not stand on ceremony and if he happens to like the shape of your phiz he will just smile, that's all, but if he thinks you are a misfit he will tell you so. So be careful.

## MUSIC AND DRAMA.

### THE ELKS' MINSTRELS.

There will be another rehearsal of the Elk minstrel chorus tomorrow afternoon when it is hoped that all members will be present. Now that the time of the performance is drawing near these rehearsals are very important and should be attended regularly. Manager Halsted announces that some good attractions have been secured for the olio or second part. Nothing but the very best is being secured for this part of the program and with a long list of attractions to select from there ought to be ample material for one of the best programs in the history of local minstrelsy in the city. Some new and unique features will be introduced to give tone to the first part and the indications are that there will be an exceptionally good program.

### WARNER COMEDY COMPANY.

That the Warner Comedy Co. are favorites in Brainerd was proven last evening by their attracting to the opera house the largest and most enthusiastic audience of the week, and this with so many counter attractions to draw attention everywhere. The bill was "Hazel Kirke," styled on the programmes a domestic drama. It is one of the old school of plays constructed to work on the feelings of an audience and move them to tears one moment and laughter the next. Miss Warner and Mr. Blanchard again carried off the honors by their excellent portrayals of the characters, Hazel and Dunston Kirke, respectively. The rest of the company are competent. A number of specialties were nicely given and well received by the large audience.

The company close their highly successful engagement here this evening, and local theatre goers will regret their departure as they have established their claim as favorites by presenting all week, good, clean, wholesome plays well acted and beautifully costumed. The bill selected for tonight is a comedy, "What Happened to Smith," full of laughs and funny situations. Don't fail to attend this performance as there is sure to be the record breaking audience in attendance of any during the week.

### "THE MAN FROM SWEDEN."

During the action of the play "The Man From Sweden," there will be seen the famous Falkner family in many difficult tricks of rolling and juggling hoops. The Falkners have been seen at all the leading vaudeville houses of the country and have been engaged at a large salary by Messrs. Broadhurst & Currie as a novelty feature for the above attraction. Many other specialties will be presented. The Russells, Master George, Mr. Rowe as "Chu Wing" and Knute Erickson in his popular songs. The attraction will appear at the Brainerd theatre next Monday night. Seats on sale at Dunn's. Prices only 75c for the lower floor, 50c for Balcony and 25c in Gallery.

Pretty Miss Nellie Hascomb, Omaha: "I owe my good looks and health to Hollister's Rocky Mountain Tea. Have fully regained my health." 35 cents, tea or tablets. H. P. Dunn & Co.

## SATISFACTORY REPLY

BRITISH AMBASSADOR AT ST. PE-  
TERSBERG CLAIMS IT WILL  
BE MADE TO JAPAN.

### TO SETTLE THE DIFFICULTY

LONDON PAPER SUGGESTS PLAN  
WHICH SEEMS TO MEET BEL-  
LIGERENTS' CLAIMS.

Washington, Jan. 30.—On the au-  
thority of the British ambassador at  
St. Petersburg the announcement is  
made that the Russian reply, which it  
is expected will be delivered today, is  
satisfactory. Although no further de-  
tails are obtainable, it is assumed if  
the information of the ambassador is  
correct that Russia has made certain  
concessions and that Great Britain  
will prevail on Japan to accept them  
as satisfactory.

The statement of the British am-  
bassador went from St. Petersburg to the  
British legation in Tokio, where Mr.  
Griscom heard of it and cabled the  
news to the state department.

### SUGGESTS A SOLUTION.

British Paper Tells How Manchurian  
Question Might Be Settled.

London, Jan. 30.—In a long article  
on the Russo-Japanese situation the  
Statist makes a suggestion for the so-  
lution of the difficulty which seems to  
meet the claims and contentions of  
both Russia and Japan.

After commenting on the advantages  
of the Sino-American treaty, which,  
it says, if carried out, would assure  
an open door in Manchuria for the  
rest of the world, the Statist continues  
as follows:

"When Russia was at the gates of  
Constantinople and practically had  
dictated peace to Turkey, Great Britain  
interfered and the result was the  
Berlin congress. Is there any good  
reason why the world should wait for  
the conclusion of war to summon a  
similar council? Would it not be  
more statesmanlike, and certainly  
more humane, to summon such a coun-  
cil now in order to prevent war? Would it not be possible for the Rus-  
sian government to sell its railways in  
Chinese territory to an international  
syndicate, all the powers guaran-  
teeing the safety and the interests of  
the syndicate? In that way, it  
seems to us, the real rights of Rus-  
sia in Manchuria would be safeguarded,  
while the apprehensions entertained  
by Japan that Russian extension  
threatens her very existence, would  
be permanently removed."

"There will be no difficulty in rais-  
ing all the funds required," cables the  
Tokio correspondent of the Times,  
"but the taxation measures probably  
will be deferred until the diet assem-  
bles in extraordinary session next  
April."

### NOT A PLEASANT PRECEDENT.

Bishop Mutel Recalls Long Imprison-  
ment of Predecessor in Korea.

Rome, Jan. 30.—Bishop Mutel, apos-  
tolic vicar in Korea, has sent in a re-  
port to the vatican saying that the  
10,000 Roman Catholics living in  
Korea are subject to grave risks be-  
cause of the condition of the country  
on account of the Russo-Japanese sit-  
uation. The bishop recalls in his re-  
port that his predecessor in Korea  
spent fifteen years in prison because  
he was not afforded protection.

### MORE ARRESTS MADE.

Milwaukee Men Accused of Perjury or  
Accepting a Bribe.

Milwaukee, Jan. 30.—Supervisor  
Charles Hottelberg was arrested late  
Friday on an indictment returned by  
the grand jury Thursday evening. He  
is charged with perjury.

State Senator Barney Eaton was ar-  
rested last night on an indictment  
charging him with accepting a bribe  
of \$100 in connection with legisla-  
tion on the barbers' license law enacted  
at the last session of the legislature.  
Supervisors Edward Strass and Au-  
gust Puls were re-arrested on added  
counts brought in Thursday evening.

The grand jury is reported to have  
returned eight additional indictments  
Friday night, the names being kept  
secret pending arrests.

The present grand jury completes  
its work tonight and will be suc-  
ceeded by a new jury which will continue  
the investigation of alleged irregu-  
larities in city and county affairs. It  
is said the result of the present jury's  
work will show a return of fully  
seventy-five indictments in all, most  
of which are for alleged petty graft-  
ing.

### SCHOOLGIRLS POISONED.

Eight Are Dead and Three Others Are  
Dying.

Berlin, Jan. 30.—Eight girls be-  
longing to a cooking school at Darm-  
stadt are dead and three others are dy-  
ing from poisoning which resulted  
from partaking of a dish made of  
canned beans and meat, and a medical  
inquiry into the occurrence is being  
made. Up to the present the investi-  
gation has failed to define the exact  
nature of the poison which brought  
about such fatal results, although it  
is now thought that allanto-toxium,  
or sausage poison, was the cause.

### HARRY EGBERT HANGED.

Murderer of John Saxton and John  
West Executed at Salem, Ore.

Salem, Ore., Jan. 30.—Harry D. Eg-  
bert, who murdered John G. Saxton  
and John West last October, was  
hanged Friday. He made a brief  
speech on the scaffold.

"My friends," he said, "take me as  
a mark, keep your children off the  
streets and above all, out of the sa-  
loons. Bad rearing and bad company  
is the direct cause of my downfall. I  
have repented my sins."

## CELEBRATION IN OMAHA.

Governor Van Sant One of the Princi-  
pal Speakers.

Omaha, Jan. 30.—The Omaha Mc-  
Kinley club last night celebrated the  
birth of William McKinley with a ban-  
quet at which two hundred guests  
were present, each wearing a scarlet  
carnation as an emblem of remem-  
brance of the dead president.

Harry A. Foster, president of the  
club, acted as toastmaster and intro-  
duced Hon. John L. Webster, Nebras-  
ka's candidate for the vice presiden-  
tial nomination, who spoke to the  
toast: "The Republican Party."

Murat Halstad of Cincinnati, was  
the next speaker, his theme being  
"The President of the United States."  
Isidor Zeigler spoke on "The Young  
Man in Politics," and Editor Edward  
Rosewater addressed himself to the  
topic "Reminiscences of McKinley."

Governor Van Sant of Minnesota  
was then introduced and spoke on  
"The People and the Railroads."

The governor's remarks had par-  
ticularly to do with the recent pro-  
ceedings of the state of Minnesota  
against railroad mergers. He advo-  
cated strong legislation against rail-  
road combinations and said that they  
should be brought to the understand-  
ing that they were servants of the  
people.

### IN MEMORY OF M'KINLEY.

Elaborate Banquet at Cleveland At-  
tended by Many Guests.

Cleveland, O., Jan. 30.—Possibly the  
most elaborate McKinley day ban-  
quet in Ohio was that of the Tippe-  
canoe club at the Hollenden hotel  
here last night. Two thousand mem-  
bers of the club and their guests were  
present. Scarlet carnations were the  
principal decorations. Congressman  
Cushman of Washington state re-  
sponded to the toast "William Mc-  
Kinley."

The schools of Canton had special  
patriotic programmes for the day, and  
scarlet carnations were much in evi-  
dence.

At New Haven, Conn., and at New  
York city banquets were held at  
which prominent men spoke of the  
martyred president and his work.

### SIX PERSONS KILLED.

Fourteen Others Injured by a Gas Ex-  
plosion in France.

Rognonas, Bouches du Rhone,  
France, Jan. 30.—Six persons were  
killed and fourteen were injured as a  
result of an explosion of gas in the  
cave of the Hotel de France Thurs-  
day evening. The hotel was partially  
wrecked.

From the stories of the survivors of  
the explosion it is learned that a doz-  
en patrons of the hotel were sitting at  
the tables drinking and playing cards  
when an odor of gas penetrated the  
room. Mme. Martin, wife of the pro-  
prietor of the hotel, lighted a candle  
and started for the kitchen to inves-  
tigate. As she opened the door a most  
terrible explosion occurred. When the  
body of Mme. Martin was found it  
was almost decapitated and the flesh  
was terribly burned.

Her father, husband and daughter  
also were instantly killed. The body  
of one of the patrons was hurled  
across the street by the force of the  
explosion and struck the opposite  
wall with great force.

The work of removing the bodies  
and taking care of the injured was in  
progress all night. It is feared that  
some of the injured persons will die.  
The authorities have stationed a guard  
around the hotel and are making an  
investigation.

### MACHEN WAS VERY BUSY.

Could Not Give Personal Attention to  
All Details of His Office.

Washington, Jan. 30.—The third  
week of the postal trial closed Friday  
and the indications now are that the  
case will go to the jury about the end  
of next week. August W. Machen,  
former general superintendent of the  
free delivery system, probably will  
take the stand Tuesday, and the present  
intention is for the other defend-  
ants, Dr. and Mrs. George E. Lorenz  
and Diller B. and Samuel A. Groff,  
also, to testify, though this plan may  
not be carried out.

The defense Friday sought to show  
by Miss Ina S. Liebbardt, for some  
years chief clerk of the free delivery  
system, and by other witnesses, that  
the orders for the Groff fasteners  
were sent out in the ordinary official  
routine and that it was impossible for  
a chief of bureau with a multiplicity  
of details such as attached to the  
rapidly growing rural free delivery  
service to give personal attention to  
all the mail and other official mat-  
ters.

### ONE HUNDRED SHOPS TO CLOSE.

Union Carriage and Wagon Workers  
Will Be Locked Out.

Chicago, Jan. 30.—One hundred  
shops controlled by the Carriage and  
Wagon Manufacturers' association  
belonging to the Carriage and Wagon  
Workers' union will be locked out.  
This decision came last night as  
the climax to negotiations that have  
been in progress during the past week  
between the two organizations. The  
men demanded a reduction of two  
hours in the working hours in a week,  
and increases in pay running from 10  
to 25 per cent. The employers de-  
clared that it was impossible to grant  
the demands and insisted that the  
union must forego them and consent  
to the "open shop" by Friday night,  
or the lockout would commence on  
Monday. The men refused to accept  
the proposition of the employers and  
the lockout will follow.

### Miss Pilcher Discharged.

Miller S. D. Jan. 30.—The hearing  
of the Hattie Pilcher case ended last  
night in her discharge from custody  
on the charge of complicity in the  
drugging of W. B. Quirk and the at-  
tempt to rob Collins' drugstore on  
Jan. 12.

### Field Day for Vanderbilt.

Ormond, Fla., Jan. 30.—All the one-  
mile events in the automobile tourna-  
ment were run here Friday and two of  
the five-mile contests. It was a field  
day for W. K. Vanderbilt, Jr., for he  
won every race in which he entered.

## SPRING TRADE CHECKED.

Weather Conditions Are Unfavorable  
Throughout a Wide Area.

New York, Jan. 30.—Bradstreet's  
weekly review of trade says weather  
conditions have been unfavorable  
throughout a wide area, and while in  
some instances helpful to retail trade,  
extreme cold or heavy snows have  
rather sharply checked spring trade  
and retarded transportation. There  
is a rather quiet feeling found also  
in several lines of speculation and of  
industry. An exception to this is  
found in the South, which section,  
stimulated by almost undreamed-of  
cotton prices, is preparing to plant an  
enormous acreage. Spring trade,  
which was opening up actively in the  
Northwest, has been brought practi-  
cally to a standstill for the time being by  
zero weather.

Rather less satisfactory reports  
come from the iron and steel trade.  
Tin plates have been marked down  
and the tendency of other products is  
toward ease. Weather conditions are  
unfavorable to out door activity.  
Building is practically suspended at a  
number of cities and lumber is gener-  
ally quieter.

Shoes and men's woolen wear are  
selling poorly; hides and leather have  
advanced in price.

### VIGNAUX DEFEATS SUTTON.

French Billiardist Retains the World's  
Championship.

Paris, Jan. 30.—By the narrow mar-  
gin of four points, Vignaux, the  
French player, defeated Sutton, the  
American, in the billiard contest  
played here last night and consequent-  
ly retains the championship of the  
world.

The match was played in the salon  
of the Grand hotel and was witnessed  
by a large and enthusiastic crowd. It  
was for 500 points at 18-inch ballkine,  
two shots allowed in balk, and the  
play lasted for nearly four hours.  
Neither player made high runs at  
first, but Vignaux finally let himself  
out and scored 76. This he followed  
up by a run of 146, which was the  
highest of the evening.

### KENTUCKY VOLCANO LOCATED.

But It Proves to Have Been a Moon-  
shine Still.

Lexington, Ky., Jan. 30.—William  
Castle, deputy United States marshal,  
arrested Prosser Crow and John Hil-  
brand on a "moonshine raid" and  
returned here Friday. The prisoners  
were operating on Sugar Loaf moun-  
tain in Rowan county and it is now be-  
lieved that their "moonshine still"  
accounts for the reports of an active  
volcano which recently alarmed resi-  
dents of that vicinity.

### TELEGRAPHIC BREVITIES.

The remains of 150 victims have  
been taken out of the Harwick mine at  
Cheswick, Pa.

Eleven persons are under arrest at  
Pendleton, Ore., for complicity in al-  
leged land frauds.

Minnesota defeated Cornell at bas-  
ketball at Ithaca, N. Y., Friday night  
by a score of 46 to 18.

Authorities at Bedford, Ind., are  
still vainly searching for the murderer  
of Miss Sarah Schafer.

"Lord" William Brassey, accused of  
passing bad checks, died in the county  
jail at Chicago Friday of pneumonia.

A freight train collided with a  
Pennsylvania passenger train at Red  
Key, Ind., Friday night and four per-  
sons were injured.

Seconds of Kid Broad threw up the  
sponge at the end of the fourteenth  
round of his fight with Eddie Hanlon  
at San Francisco Friday night. Broad  
made a poor showing.

While General Henry Strong was  
hurrying from California to reach the  
bedside of his wife, who was suffering  
from a stroke of paralysis at Chicago,  
Mrs. Strong died Friday.

Lieutenant General Chaffee, in a re-  
port to be transmitted to congress,  
urges the appropriation of \$2,000,000  
for the purchase or four tracts of  
ground for army maneuvers.

Mrs. Lulu Prince-Kennedy-Kramer,  
on trial a second time for the murder  
in January, 1901, of her first husband,  
Philip H. Kennedy, was found not  
guilty by a jury at Kansas City.

### IN HIS OWN BEHALF.

Blydenburgh Testifies in Murder Trial  
at Eldora, Ia.

Eldora, Ia., Jan. 30.—Eben S. Bly-  
denburgh, accused of murdering three  
wives, took the stand in his own be-  
half during the day, answering the  
charges that he had poisoned his third  
wife by administering arsenic in a  
meal cooked by himself. Blydenburgh  
told a straightforward story, corrob-  
orating the testimony of his daughter,  
Irene, who swore that she cooked the  
meal which the state says contained  
arsenic administered by the accused  
man.

He told of his wife's alleged com-  
plaint and stated that the family phy-  
sician pronounced it uraemia. He de-  
nied that they had ever had trouble  
other than family quarrels of little  
consequence.

## SATISFACTORY REPLY

**BRITISH AMBASSADOR AT ST. PETERSBURG CLAIMS IT WILL BE MADE TO JAPAN.**  
**TO SETTLE THE DIFFICULTY**  
**LONDON PAPER SUGGESTS PLAN WHICH SEEMS TO MEET BELIGERENTS' CLAIMS.**

Washington, Jan. 30.—On the authority of the British ambassador at St. Petersburg the announcement is made that the Russian reply, which it is expected will be delivered today, is satisfactory. Although no further details are obtainable, it is assumed if the information of the ambassador is correct that Russia has made certain concessions and that Great Britain will prevail on Japan to accept them as satisfactory.

The statement of the British ambassador went from St. Petersburg to the British legation in Tokyo, where Mr. Griscom heard of it and cabled the news to the state department.

**SUGGESTS A SOLUTION.**  
British Paper Tells How Manchurian Question Might Be Settled.

London, Jan. 30.—In a long article on the Russo-Japanese situation the Statist makes a suggestion for the solution of the difficulty which seems to meet the claims and contentions of both Russia and Japan.

After commenting on the advantages of the Chinese-American treaty, which, it says, if carried out, would assure an open door in Manchuria for the rest of the world, the Statist continues as follows:  
"When Russia was at the gates of Constantinople and practically had dictated peace to Turkey, Great Britain interfered and the result was the Berlin congress. Is there any good reason why the world should wait for the conclusion of war to summon a similar council? Would it not be more statesmanlike, and certainly more humane, to summon such a council now in order to prevent war? Would it not be possible for the Russian government to sell its railways in Chinese territory to an international syndicate, all the powers guaranteeing the safety and the interests of the syndicate? In that way, it seems to us, the real rights of Russia in Manchuria would be safeguarded, while the apprehensions entertained by Japan that Russian extension threatens her very existence, would be permanently removed."

"There will be no difficulty in raising all the funds required," cables the Tokio correspondent of the Times, "but the taxation measures probably will be deferred until the diet assembles in extraordinary session next April."

**NOT A PLEASANT PRECEDENT.**  
Bishop Mutel Recalls Long Imprisonment of Predecessor in Korea.  
Rome, Jan. 30.—Bishop Mutel, apostolic vicar in Korea, has sent in a report to the vatican saying that the 10,000 Roman Catholics living in Korea are subject to grave risks because of the condition of the country on account of the Russo-Japanese situation. The bishop recalls in his report that his predecessor in Korea spent fifteen years in prison because he was not afforded protection.

**MORE ARRESTS MADE.**

**Milwaukee Men Accused of Perjury or Accepting a Bribe.**

Milwaukee, Jan. 30.—Supervisor Charles Bottenberg was arrested late Friday on an indictment returned by the grand jury Thursday evening. He is charged with perjury.

State Senator Barney Eaton was arrested last night on an indictment charging him with accepting a bribe of \$100 in connection with legislation on the barbers' license law enacted at the last session of the legislature. Supervisors Edward Strauss and August Puls were rearrested on added counts brought in Thursday evening. The grand jury is reported to have returned eight additional indictments Friday night, the names being kept secret pending arrests.

The present grand jury completes its work tonight and will be succeeded by a new jury which will continue the investigation of alleged irregularities in city and county affairs. It is said the result of the present jury's work will show a return of fully seventy-five indictments in all, most of which are for alleged petty grafting.

**SCHOOLGIRLS POISONED.**  
Eight Are Dead and Three Others Are Dying.

Berlin, Jan. 30.—Eight girls belonging to a cooking school at Darmstadt are dead and three others are dying from poisoning which resulted from eating of a dish made of canned beans and meat, and a medical inquiry into the occurrence is being made. Up to the present the investigation has failed to define the exact nature of the poison which brought about such fatal results, although it is now thought that allanto-toxin, or sausage poison, was the cause.

**HARRY EGBERT HANGED.**

**Murderer of John Saxton and John West Executed at Salem, Ore.**

Salem, Ore., Jan. 30.—Harry D. Egbert, who murdered John G. Saxton and John West last October, was hanged Friday. He made a brief speech on the scaffold.  
"My friends," he said, "take me as a mark, keep your children off the streets and above all out of the saloons. Bad rearing and bad company is the direct cause of my downfall. I have repented my sins."

## CELEBRATION IN OMAHA.

**Governor Van Sant One of the Principal Speakers.**

Omaha, Jan. 30.—The Omaha McKinley club last night celebrated the birth of William McKinley with a banquet at which two hundred guests were present, each wearing a scarlet carnation as an emblem of remembrance of the dead president.

Harry A. Foster, president of the club, acted as toastmaster and introduced Hon. John L. Webster, Nebraska's candidate for the vice presidential nomination, who spoke to the toast: "The Republican Party."  
Murat Halstead of Cincinnati, was the next speaker, his theme being "The President of the United States." Isidor Zeigler spoke on "The Young Man in Politics," and Editor Edward Rosewater addressed himself to the topic "Reminiscences of McKinley."

Governor Van Sant of Minnesota was then introduced and spoke on "The People and the Railroads."  
The governor's remarks had particularly to do with the recent proceedings of the state of Minnesota against railroad mergers. He advocated strong legislation against railroad combinations and said that they should be brought to the understanding that they were servants of the people.

**IN MEMORY OF M'KINLEY.**

**Elaborate Banquet at Cleveland Attended by Many Guests.**

Cleveland, O., Jan. 30.—Possibly the most elaborate McKinley day banquet in Ohio was that of the Tippecanoe club at the Hollenden hotel here last night. Two thousand members of the club and their guests were present. Scarlet carnations were the principal decorations. Congressman Cushman of Washington state responded to the toast "William McKinley."

The schools of Canton had special patriotic programmes for the day, and scarlet carnations were much in evidence.  
At New Haven, Conn., and at New York city banquets were held at which prominent men spoke of the martyred president and his work.

**SIX PERSONS KILLED.**

**Fourteen Others Injured by a Gas Explosion in France.**

Rognonas, Bouches du Rhone, France, Jan. 30.—Six persons were killed and fourteen were injured as a result of an explosion of gas in the cafe of the Hotel de France Thursday evening. The hotel was partially wrecked.

From the stories of the survivors of the explosion it is learned that a dozen patrons of the hotel were sitting at the tables drinking and playing cards when an odor of gas penetrated the room. Mme. Martin, wife of the proprietor of the hotel, lighted a candle and started for the kitchen to investigate. As she opened the door a most terrific explosion occurred. When the body of Mme. Martin was found it was almost decapitated and the flesh was terribly burned.

Her father, husband and daughter also were instantly killed. The body of one of the patrons was hurled across the street by the force of the explosion and struck the opposite wall with great force.

The work of removing the bodies and taking care of the injured was in progress all night. It is feared that some of the injured persons will die. The authorities have stationed a guard around the hotel and are making an investigation.

**MACHEN WAS VERY BUSY.**

**Could Not Give Personal Attention to All Details of His Office.**

Washington, Jan. 30.—The third week of the postal trial closed Friday and the indications now are that the case will go to the jury about the end of next week. August W. Machen, former general superintendent of the free delivery system, and the present intention is for the other defendants, Dr. and Mrs. George E. Lorenz, and Diller B. and Samuel A. Groff, also, to testify, though this plan may not be carried out.

The defense Friday sought to show by Miss Ina S. Liebhardt, for some years chief clerk of the free delivery system, and by other witnesses, that the orders for the ordinary official routine and that it was impossible for a chief of bureau with a multiplicity of details such as attached to the rapidly growing rural free delivery service to give personal attention to all the mail and other official matters.

**ONE HUNDRED SHOPS TO CLOSE.**

**Union Carriage and Wagon Workers Will Be Locked Out.**

Chicago, Jan. 30.—One hundred shops controlled by the Carriage and Wagon Manufacturers' association will be closed Monday and 2,000 men belonging to the Carriage and Wagon Workers' union will be locked out.  
This decision came last night as the climax to negotiations that have been in progress during the past week between the two organizations. The men demanded a reduction of two hours in the working hours in a week, and increases in pay running from 10 to 25 per cent. The employers declared that it was impossible to grant the demands and insisted that the union must forego them and consent to the "open shop" by Friday night, or the lockout would commence on Monday. The men refused to accept the proposition of the employers and the lockout will follow.

**Miss Pilcher Discharged.**

Miller, S. D., Jan. 30.—The hearing of the Hattie Pilcher case ended last night in her discharge from custody on the charge of complicity in the drugging of Wabur Quirk and the attempt to rob Collins' drugstore on Jan. 12.

**Field Day for Vanderbilt.**

Ormond, Fla., Jan. 30.—All the one-mile events in the automobile tournament were run here Friday and two of the five-mile contests. It was a field day for W. K. Vanderbilt, Jr., for he won every race in which he entered.

## SPRING TRADE CHECKED.

**Weather Conditions Are Unfavorable Throughout a Wide Area.**

New York, Jan. 30.—Bradstreet's weekly review of trade says weather conditions have been unfavorable throughout a wide area, and while in some instances helpful to retail trade, extreme cold or heavy snows have rather sharply checked spring trade and retarded transportation. There is a rather quiet feeling found also in several lines of speculation and of industry. An exception to this is found in the South, which section, stimulated by almost undreamed-of cotton prices, is preparing to plant an enormous acreage. Spring trade, which was opening up actively in the Northwest, has been brought practically to a standstill for the time being by zero weather.

Rather less satisfactory reports come from the iron and steel trade. Tin plates have been marked down and the tendency of other products is toward ease. Weather conditions are unfavorable to out door activity. Building is practically suspended at a number of cities and lumber is generally quieter.

Shoes and men's woolen wear are selling poorly; hides and leather have advanced in price.

**VIGNAUX DEFEATS SUTTON.**

**French Billiardist Retains the World's Championship.**

Paris, Jan. 30.—By the narrow margin of four points, Vignaux, the French player, defeated Sutton, the American, in the billiard contest played here last night and consequently retains the championship of the world.

The match was played in the salon of the Grand hotel and was witnessed by a large and enthusiastic crowd. It was for 500 points at 18-inch ballkine, two shots allowed in balk, and the play lasted for nearly four hours. Neither player made a high run at first, but Vignaux finally let himself out and scored 76. This he followed up by a run of 146, which was the highest of the evening.

**KENTUCKY VOLCANO LOCATED.**

**But It Proves to Have Been a Moonshine Still.**

Lexington, Ky., Jan. 30.—William Castle, deputy United States marshal, arrested Presley Crow and John Hilbrand on a "moonshine raid" and returned here Friday. The prisoners were operating on Sugar Leaf mountain in Rowan county and it is now believed that their "moonshine still" accounts for the reports of an active volcano which recently alarmed residents of that vicinity.

**TELEGRAPHIC BREVITIES.**

The remains of 150 victims have been taken out of the Harwick mine at Cheswick, Pa.

Eleven persons are under arrest at Pendleton, Ore., for complicity in alleged land frauds.

Minnesota defeated Cornell at basketball at Ithaca, N. Y., Friday night by a score of 46 to 18.

Authorities at Bedford, Ind., are still vainly searching for the murderer of Miss Sarah Schaefer.

"Lord" William Brassey, accused of passing bad checks, died in the county jail at Chicago Friday of pneumonia. A freight train collided with a Pennsylvania passenger train at Red Key, Ind., Friday night and four people were injured.

Seconds of Kid Broad threw up the sponge at the end of the fourteenth round of his fight with Eddie Hanlon at San Francisco Friday night. Broad made a poor showing.

While General Henry Strong was hurrying from California to reach the bedside of his wife, who was suffering from a stroke of paralysis at Chicago, Mrs. Strong died Friday.

Lieutenant General Chaffee, in a report to be transmitted to congress, urges the appropriation of \$2,000,000 for the purchase or four tracts of ground for army maneuvers.

Mrs. Lulu Prince-Kennedy-Kramer, on trial a second time for the murder in January, 1901, of her first husband, Philip H. Kennedy, was found not guilty by a jury at Kansas City.

Peach Buds Killed by Cold.  
Burlington, Ia., Jan. 30.—Peach buds are said to have been killed by the severe weather of the past two days. The cold continues. It was fourteen below zero Friday, but warmer at night. Snow affords ample protection to grain.

SATISFACTORY REPLY  
BRITISH AMBASSADOR AT ST. PETERSBURG CLAIMS IT WILL BE MADE TO JAPAN.  
TO SETTLE THE DIFFICULTY  
LONDON PAPER SUGGESTS PLAN WHICH SEEMS TO MEET BELIGERENTS' CLAIMS.

Washington, Jan. 30.—On the authority of the British ambassador at St. Petersburg the announcement is made that the Russian reply, which it is expected will be delivered today, is satisfactory. Although no further details are obtainable, it is assumed if the information of the ambassador is correct that Russia has made certain concessions and that Great Britain will prevail on Japan to accept them as satisfactory.  
The statement of the British ambassador went from St. Petersburg to the British legation in Tokyo, where Mr. Griscom heard of it and cabled the news to the state department.

SUGGESTS A SOLUTION.  
British Paper Tells How Manchurian Question Might Be Settled.  
London, Jan. 30.—In a long article on the Russo-Japanese situation the Statist makes a suggestion for the solution of the difficulty which seems to meet the claims and contentions of both Russia and Japan.

After commenting on the advantages of the China-American treaty, which, it says, if carried out, would assure an open door in Manchuria for the rest of the world, the Statist continues as follows:  
"When Russia was at the gates of Constantinople and practically had dictated peace to Turkey, Great Britain interfered and the result was the Berlin congress. Is there any good reason why the world should wait for the conclusion of war to summon a similar council? Would it not be more statesmanlike, and certainly more humane, to summon such a council now in order to prevent war? Would it not be possible for the Russian government to sell its railways in Chinese territory to an international syndicate, all the powers guaranteeing the safety and the interests of the syndicate? In that way, it seems to us, the real rights of Russia in Manchuria would be safeguarded, while the apprehensions entertained by Japan that Russian extension threatens her very existence, would be permanently removed."

"There will be no difficulty in raising all the funds required," cables the Tokyo correspondent of the Times, "but the taxation measures probably will be deferred until the diet assembles in extraordinary session next April."

NOT A PLEASANT PRECEDENT.  
Bishop Mutel Recalls Long Imprisonment of Predecessor in Korea.  
Rome, Jan. 30.—Bishop Mutel, apostolic vicar in Korea, has sent in a report to the Vatican saying that the 10,000 Roman Catholics living in Korea are subject to grave risks because of the condition of the country on account of the Russo-Japanese situation. The bishop recalls in his report that his predecessor in Korea spent fifteen years in prison because he was not afforded protection.

MORE ARRESTS MADE.  
Milwaukee Men Accused of Perjury or Accepting a Bribe.  
Milwaukee, Jan. 30.—Supervisor Charles Bottenberg was arrested late Friday on an indictment returned by the grand jury Thursday evening. He is charged with perjury.

State Senator Barney Eaton was arrested last night on an indictment charging him with accepting a bribe of \$100 in connection with legislation on the barbers' license law enacted at the last session of the legislature. Supervisors Edward Strauss and August Puls were rearrested on added counts brought in Thursday evening. The grand jury is reported to have returned eight additional indictments Friday night, the names being kept secret pending arrests.

The present grand jury completes its work tonight and will be succeeded by a new jury which will continue the investigation of alleged irregularities in city and county affairs. It is said the result of the present jury's work will show a return of fully twenty-five indictments in all, most of which are for alleged petty grafting.

SCHOOLGIRLS POISONED.  
Eight Are Dead and Three Others Are Dying.

Berlin, Jan. 30.—Eight girls belonging to a cooking school at Darmstadt are dead and three others are dying from poisoning which resulted from partaking of a dish made of canned beans and meat, and a medical inquiry into the occurrence is being made. Up to the present the investigation has failed to define the exact nature of the poison which brought about such fatal results, although it is now thought that allanto-toxium, or sausage poison, was the cause.

HARRY EGBERT HANGED.  
Murderer of John Saxton and John West Executed at Salem, Ore.  
Salem, Ore., Jan. 30.—Harry D. Egbert, who murdered John G. Saxton and John West last October, was hanged Friday. He made a brief speech on the scaffold.  
"My friends," he said, "take me as a mark, keep your children off the streets and above all, out of the saloons. Bad rearing and bad company is the direct cause of my downfall. I have repented my sins."

CELEBRATION IN OMAHA.  
Governor Van Sant One of the Principal Speakers.  
Omaha, Jan. 30.—The Omaha McKinley club last night celebrated the birth of William McKinley with a banquet at which two hundred guests were present, each wearing a scarlet carnation as an emblem of remembrance of the dead president.  
Harry A. Foster, president of the club, acted as toastmaster and introduced Hon. John L. Webster, Nebraska's candidate for the vice presidential nomination, who spoke to the toast: "The Republican Party."  
Murat Halstead of Cincinnati, was the next speaker, his theme being "The President of the United States." Isidor Zeigler spoke on "The Young Man in Politics," and Editor Edward Rosewater addressed himself to the topic "Reminiscences of McKinley."

Governor Van Sant of Minnesota was then introduced and spoke on "The People and the Railroads." The governor's remarks had particularly to do with the recent proceedings of the state of Minnesota against railroad mergers. He advocated strong legislation against railroad combinations and said that they should be brought to the understanding that they were servants of the people.

IN MEMORY OF M'KINLEY.  
Elaborate Banquet at Cleveland Attended by Many Guests.  
Cleveland, O., Jan. 30.—Possibly the most elaborate McKinley day banquet in Ohio was that of the Tippecanoe club at the Hollenden hotel here last night. Two thousand members of the club and their guests were present. Scarlet carnations were the principal decorations. Congressman Cushman of Washington state responded to the toast "William McKinley."

The schools of Canton had special patriotic programmes for the day, and scarlet carnations were much in evidence.  
At New Haven, Conn., and at New York city banquets were held at which prominent men spoke of the martyred president and his work.

SIX PERSONS KILLED.  
Fourteen Others Injured by a Gas Explosion in France.  
Rognonas, Bouches du Rhone, France, Jan. 30.—Six persons were killed and fourteen were injured as a result of an explosion of gas in the cafe of the Hotel de France Thursday evening. The hotel was partially wrecked.

From the stories of the survivors of the explosion it is learned that a dozen patrons of the hotel were sitting at the tables drinking and playing cards when an odor of gas penetrated the room. Mme. Martin, wife of the proprietor of the hotel, lighted a candle and started for the kitchen to investigate. As she opened the door a most terrific explosion occurred. When the body of Mme. Martin was found it was almost decapitated and the flesh was terribly burned.

Her father, husband and daughter also were instantly killed. The body of one of the patrons was hurled across the street by the force of the explosion and struck the opposite wall with great force.

The work of removing the bodies and taking care of the injured was in progress all night. It is feared that some of the injured persons will die. The authorities have stationed a guard around the hotel and are making an investigation.

MACHEN WAS VERY BUSY.  
Could Not Give Personal Attention to All Details of His Office.  
Washington, Jan. 30.—The third week of the postal trial closed Friday and the indications now are that the case will go to the jury about the end of next week. August W. Machen, former general superintendent of the free delivery system, probably will take the stand Tuesday, and the present intention is for the other defendants, Dr. and Mrs. George E. Lorenz and Diller B. and Samuel A. Groff, also, to testify, though this plan may not be carried out.

The defense Friday sought to show by Miss Ina S. Liebhart, for some years chief clerk of the free delivery system, and by other witnesses, that the orders for the Groff fasteners were sent out in the ordinary official routine and that it was impossible for a chief of bureau with a multiplicity of details such as attached to the rapidly growing rural free delivery service to give personal attention to all the mail and other official matters.

ONE HUNDRED SHOPS TO CLOSE.  
Union Carriage and Wagon Workers Will Be Locked Out.  
Chicago, Jan. 30.—One hundred shops controlled by the Carriage and Wagon Manufacturers' association will be closed Monday and 2,000 men belonging to the Carriage and Wagon Workers' union will be locked out.

This decision came last night as the climax to negotiations that have been in progress during the past week between the two organizations. The men demanded a reduction of two hours in the working hours in a week, and increases in pay running from 10 to 25 per cent. The employers declared that it was impossible to grant the demands and insisted that the union must forego them and consent to the "open shop" by Friday night, or the lockout would commence on Monday. The men refused to accept the proposition of the employers and the lockout will follow.

Miss Pilcher Discharged.  
Miller, S. D., Jan. 30.—The hearing of the Hattie Pilcher case ended last night in her discharge from custody on the charge of complicity in the drugging of W. Bur Quirk and the attempt to rob Collins' drugstore on Jan. 12.

Field Day for Vanderbilt.  
Ormond, Fla., Jan. 30.—All the one-mile events in the automobile tournament were run here Friday and two of the five-mile contests. It was a field day for W. K. Vanderbilt, Jr., for he won every race in which he entered.

SPRING TRADE CHECKED.  
Weather Conditions Are Unfavorable Throughout a Wide Area.  
New York, Jan. 30.—Bradstreet's weekly review of trade says weather conditions have been unfavorable throughout a wide area, and while in some instances helpful to retail trade, extreme cold or heavy snows have rather sharply checked spring trade and retarded transportation. There is a rather quiet feeling found also in several lines of speculation and of industry. An exception to this is found in the South, which section, stimulated by almost undreamed-of cotton prices, is preparing to plant an enormous acreage. Spring trade, which was opening up actively in the Northwest, has been brought practically to a standstill for the time being by zero weather.

Rather less satisfactory reports come from the iron and steel trade. Tin plates have been marked down and the tendency of other products is toward ease. Weather conditions are unfavorable to outdoor activity. Building is practically suspended at a number of cities and lumber is generally quieter.

Shoes and men's woolen wear are selling poorly; hides and leather have advanced in price.

VIGNAUX DEFEATS SUTTON.  
French Billiardist Retains the World's Championship.  
Paris, Jan. 30.—By the narrow margin of four points, Vignaux, the French player, defeated Sutton, the American, in the billiard contest played here last night and consequently retains the championship of the world.

The match was played in the salon of the Grand hotel and was witnessed by a large and enthusiastic crowd. It was for 500 points at 18-inch ballkline, two shots allowed in balk, and the play lasted for nearly four hours. Neither player made high runs at first, but Vignaux finally let himself out and scored 76. This he followed up by a run of 146, which was the highest of the evening.

KENTUCKY VOLCANO LOCATED.  
But It Proves to Have Been a Moonshine Still.  
Lexington, Ky., Jan. 30.—William Castle, deputy United States marshal, arrested Presley Crow and John Hilderbrand on a "moonshine raid" and returned here Friday. The prisoners were operating on Sugar Loaf mountain in Rowan county and it is now believed that their "moonshine still" accounts for the reports of an active volcano which recently alarmed residents of that vicinity.

TELEGRAPHIC BREVITIES.  
The remains of 150 victims have been taken out of the Harwick mine at Cheswick, Pa.

Eleven persons are under arrest at Pendleton, Ore., for complicity in alleged land frauds.

Minnesota defeated Cornell at basketball at Ithaca, N. Y., Friday night by a score of 46 to 18.

Authorities at Bedford, Ind., are still vainly searching for the murderer of Miss Sarah Schaefer.

"Lord" William Brassey, accused of passing bad checks, died in the county jail at Chicago Friday of pneumonia.

A freight train collided with a Pennsylvania passenger train at Red Key, Ind., Friday night and four people were injured.

Seconds of Kid Broad threw up the sponge at the end of the fourteenth round of his fight with Eddie Hanlon at San Francisco Friday night. Broad made a poor showing.

While General Henry Strong was hurrying from California to reach the bedside of his wife, who was suffering from a stroke of paralysis at Chicago, Mrs. Strong died Friday.

Lieutenant General Chaffee, in a report to be transmitted to congress, urges the appropriation of \$2,000,000 for the purchase or four tracts of ground for army maneuvers.

Mrs. Lulu Prince-Kennedy-Kramer, on trial a second time for the murder in January, 1901, of her first husband, Philip H. Kennedy, was found not guilty by a jury at Kansas City.

IN HIS OWN BEHALF.  
Blydenburgh Testifies in Murder Trial at Eldora, Ia.

Eldora, Ia., Jan. 30.—Eben S. Blydenburgh, accused of murdering three wives, took the stand in his own behalf during the day, answering the charges that he had poisoned his third wife by administering arsenic in a meal cooked by himself. Blydenburgh told a straightforward story, corroborating the testimony of his daughter, Irene, who swore that she cooked the meal which the state says contained arsenic administered by the accused man.  
He told of his wife's alleged complaint and stated that the family physician pronounced it uraemia. He denied that they had ever had trouble other than family quarrels of little consequence.

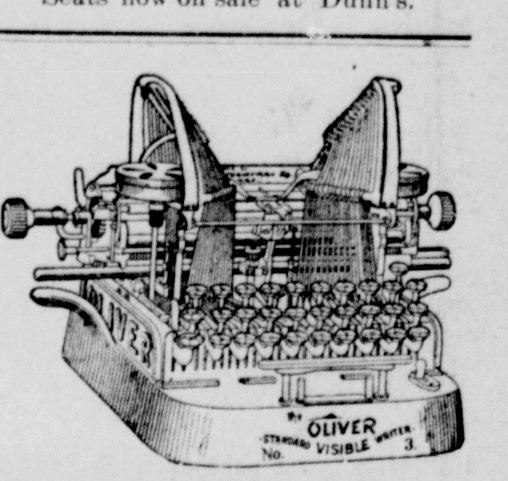

Pope Pius in Poor Health.  
Paris, Jan. 30.—A dispatch to the Rappel from Rome says the pope is suffering ill-health due to physical depression, and that there is talk in Jesuitical circles that a conclave will be held at an early date.
